

Our client is a successful, dynamic and growing European logistics provider with its core business in International sea freight. The company offers their customers tailored solutions for multimodal transport services within Europe. For their regional headquarters in Hamburg we are looking for a:

### **Workplace Manager (m/f)**

#### **Targets and Responsibilities:**

- Working with the Departments Managers in Shipping and Logistics and the teams to ensure high Quality and Service levels, while continuously improving productivity
- Moderation of meetings and visualisation of objectives for the teams
- Constructively challenge the way work is performed within the Regional structure plus with peers in other Regions and Head Office as well as Shared Service Center
- Implement Continuous Improvement Concepts together with the Department Managers
- Develop Standard Operations Procedure for the core processes between the Departments
- Plan the work load across teams
- Establish and elevate Skill sets as needed for Work load levelling and in preparation of future changes
- Create transparency on performance with and through Whiteboard participations
- Establish Action plans with Department Manager and Teams, follow up and document gains as well as improvements

#### **Requirements:**

- A Bachelor or Master degree (Business, Organization, Supply Chain/Logistics, etc.)
- Minimum 5 years of relevant experience with a track record of operationalizing theory and concepts
- Prior experience in Logistics or Container shipping desirable, but not required
- Team work in an international industry and company is an advantage
- Fluency in English and German
- Good analytical skills and interest in making practical use of same
- Thriving within a fast-paced environment requiring multi-tasking with multiple sizeable balls in the air at any point
- Selling ideas/concepts and the ability to train, teach and motivate for change are strong aspects of this
- Balancing the bigger picture and working with high detail orientation with existing frames (SOP/Service Level Agreements etc)
- Embrace new challenges
- Travelling 20-30 days/year, predominantly in Western Europe

Do you see yourself in that position and are you motivated? We are looking forward to receive your application with the reference **MW/4490**. Please send it via email to [m.wegner@hertzog.de](mailto:m.wegner@hertzog.de). Our consultant Marc Wegner is opened for your questions and available via 040-789192-92.
